Dear Stephanie:

On behalf of the American Cancer Society, it is my great pleasure to thank you for being part of the *American Cancer Society's 2007 Mercedes-Benz of Beverly Hills Southern California Invitational*.

I am delighted to report that this year's event raised a record-breaking \$384,000. Your support certainly contributed to this success, and we are most grateful. Thank you for the donation of free massages for the golfers. This was a wonderful addition to our gift salon offerings.

Although the *Invitational* is an annual event, the fight against cancer continues year-round. We encourage you to consider growing your involvement with the American Cancer Society and/or the *Southern California Invitational* in the coming year. For more information, please don't hesitate to contact me at (213) 427-7387 or bette.bergsman@cancer.org.

Hope. Progress. Answers. This is what we're fighting for, and together we are making a difference. Thank you once more for your contribution to the *Invitational* and a better future for all whose lives will be touched by cancer.

Sincerely yours,

A handwritten signature in cursive script that reads "Bette".
